

**DRACAN®**

## DISCOVER DRACAN

In a land where the sea waves dance with the horizon, Dracan was born. It's an extraordinary powerboat catamaran that soars above the ocean. Its bold and modern design symbolizes maritime modernity, with every detail carefully crafted.

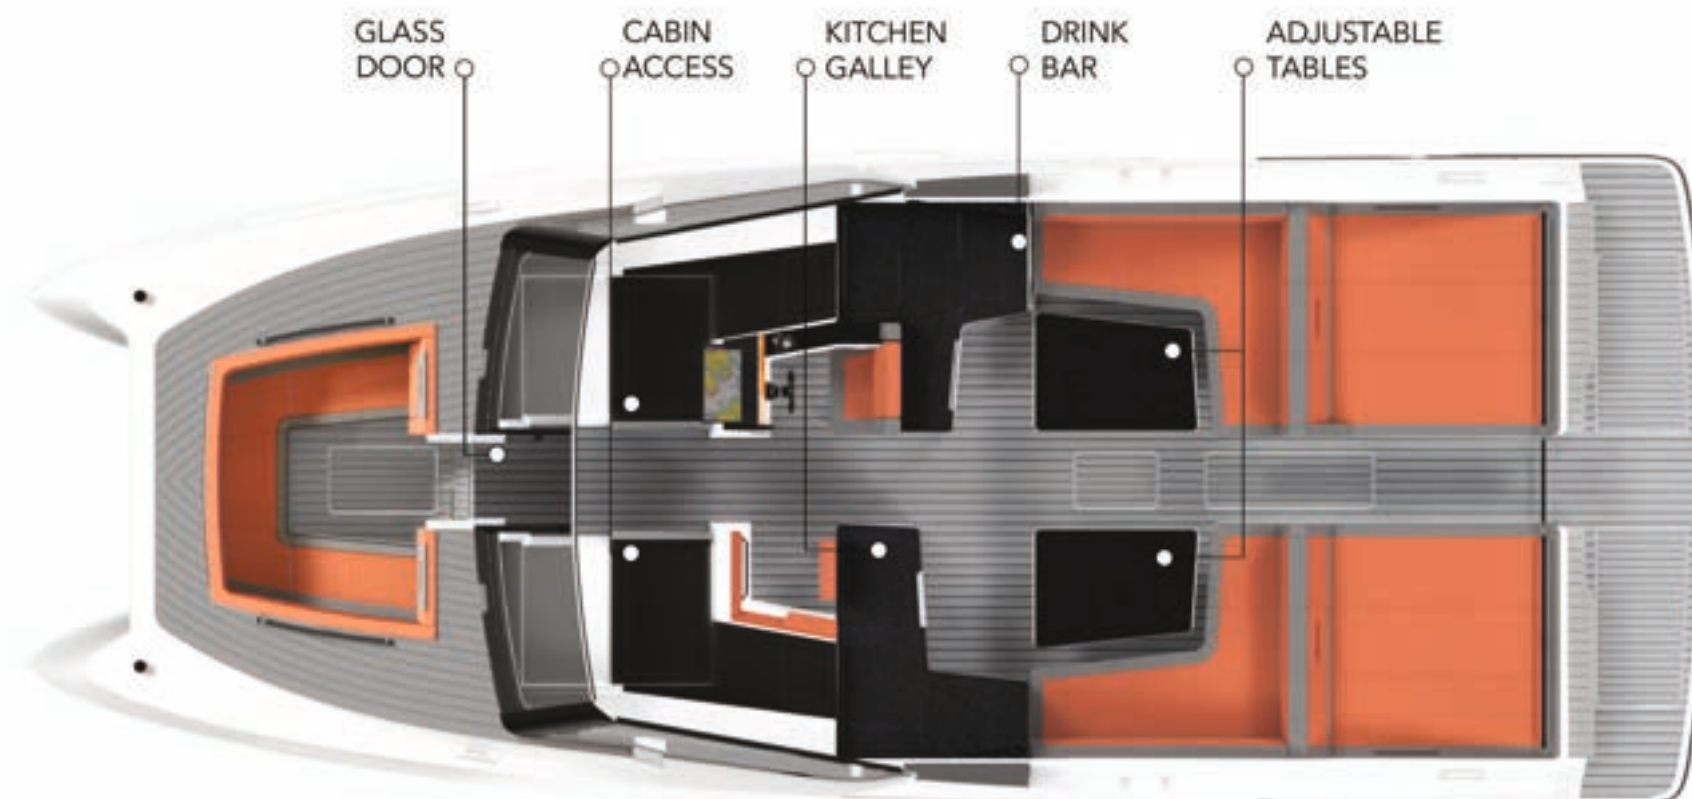

Dracan harbors innovative strength, much like the legends of extraordinary heroes. You can customize it to your dreams, just as those whose destinies were intertwined with fate. Our experienced shipyard, with 25 years of history, provides a solid foundation for your maritime adventure.

It's time to set sail, like in an epic odyssey. It's time for Dracan - your gateway to unforgettable adventures on the waves.

### CHOOSE YOUR INTERIOR

Dracan offers two interior design options, both of which utilize refined materials to enhance the spacious and comfortable living space. The first concept incorporates materials such as light wood and exquisite fabrics to give the interior a luxurious appearance while maintaining a sense of brightness and spaciousness.

**DRAČAN**

**DRAČAN**

### COMFORT FIRST

Dracan offers many comfortable solutions that can be customized to your needs. Both interior concepts are carefully designed to provide luxurious experiences on the water. Regardless of the color choice, our yacht cabin impresses with its unique aesthetics, emphasizing the comfort of relaxation.

## MODEL ART EXECUTIVE SHIPYARD

Dracan's business partner, Model Art, is a formidable shipyard with three factories and a workforce of a thousand employees. Our 25 years of experience in yacht construction provide the solid foundations of our success.

Years of cooperation with leading Scandinavian brands result in the highest quality standards in the industry. The company's production experience confirms the production of over 10,000 boats and yachts. Model-Art is considered one of the largest Polish yacht shipyards, with over 25,000 square meters of production space and employing over 800 people.

The safety of the project, along with CE certification, is overseen by RINA.
